

Name: G Ramakrishna

Designation: Security Analyst

Mobile No: +9193474 22714

Email: garapatirk87@gmail.com

Profile Summary

SIEM

- **IBM QRadar–3.10 years** of work experience in Security Operations Center (SOC) with demonstrated skills in **Security Information and Event Management (SIEM)** which include Security Monitoring, Log Analysis, Deep Investigations on potential security events, Malware Analysis, Threat Identification and Mitigation.

VULNERABILITY MANAGEMENT

- **Qualys VM**–Primary tasks include Creating Sites, Asset groups and perform Scheduled and adhoc scans for multiple client servers, sites, IP's. Finding vulnerabilities and send to respective team to remediate/fix the issue.
- Technical report generation for the scans completed. Preparing management report for specific clients. Work on with basic troubleshooting techniques for the IP's failed to scan.
- Perform vulnerability scans, both scheduled & on ad-hoc requests from the customers & follow the VM life cycle/calendar.
- Coordinate with technology towers for the issue remediation and suggesting control measure to avoid the same in future.
- Reaching out to server owner to check if latest patches are updated if the signatures are detected, sharing Reports with clients.

FIREWALLS

- **Palo Alto** - Experience in Monitoring Firewall Traffic for Packet level Analysis to identify threats lurking on the Networks.
- Phish box Monitoring & checking URLs and IP Addresses for their reputation.
- Blocking the suspicious Links, Hyperlinks and their redirections & also verifying traffic to know which application is accessing the URL.

SOC ENVIRONMENT

- Worked on **Threat Intelligence** framework to alert clients on – latest and ongoing attacks, emergency and scheduled patch releases from different vendors and security news.
- Worked on Security governance and compliance, dealt with user access review, approvals and auditing's with respective compliant frame work, Good understanding of Networking Concepts, TCP/IP Protocol Suite, OSI Model and Network devices like Switches, Routers, Bridges, Repeaters etc.
- Handled **Security Incident Management** from start to the end over multiple suspected and identified attacks in the network, Phishing attacks etc.

Work Experience

SECURITY ANALYST | SLIDO

- Working as a **Security Analyst** at **SLIDO** from April 2019 to till date.
- Worked as a **Security Analyst** at **Luxus India Pvt Ltd** from May 2018 to March 2019.
- Worked as a **System Administrator** at **Luxus India Pvt Ltd** from June 2012 to March 2018.

Roles & Responsibilities

SECURITY INFORMATION & EVENT MANAGEMENT | IBM QRADAR SIEM

- **Monitoring**, investigating and kicking off incident management for Offences/Alerts triggered on the console.
- Creation and modification of QRadar **Dashboards** for a quick sneak peek into malicious activities.
- Generating custom and scheduled **Reports** based on client requirements.
- User Behavior Analytics monitoring to identify **Insider Threats**.
- Experience in working with Filters, Searches for investigating Historical Events.
- **Integration** of new Log Sources into the SIEM Solution.
- **Troubleshooting** of Log Sources that don't generate Logs into QRadar post integration.
- Identifying and designing the **use cases** that address specific enterprise needs.
- Evaluate existing standard content like use cases & **fine tune** to meet enterprise goals.
- Perform **Health Checks** of SIEM Tool and make sure it's up and running on alloccasions.
- Add and maintain SIEM users and permissions.

Skillset | Tools & Technology

- Security Information & Event Management–**IBM QRadar Solution**.
- Vulnerability Management–**Qualys Guard** (On-prem& CA).
- Intrusion Detection & Prevention Systems–**Trend Micro Tipping Point**.
- Firewall & Web Content Filtering–**Palo Alto Networks**.
- Threat Intelligence Platforms–**Bright Cloud, IP Void, MX Toolbox, Virus Total, IBM X-Force etc.**
- User Behaviour Analytics – **IBM UBA Tool**.
- Report creation – PowerPoint, Excel, Word etc using **Microsoft Office suite**.

Education

- *Graduation in B.Sc Computer Science from Aditya Degree College affiliated to Andhra University, Rajahmundry in 2007*
- *Intermediate (MPC) from Sir Arthur Cotton Junior College, Rajahmundry in 2004*
- *SSC from Z.P.H school, Rangampeta in 2002*

Interests & Hobbies

- Keeping myself abreast of modern-day **Security Attacks** and **Cyber Crime** and following the **mitigative plans** and best practices.
- Love to involve in **Group Discussions** on today's Security Posture, attend Session sand Open Mics to understand and deploy new processes.
- Active member in**TeamParties** & Outings!!

Declaration

- I hereby declare that all the details furnished in this document are true to the best of my knowledge..!
