PREVIOUS EXPERIENCE

KTV Health Food Pvt Ltd., (Joint Venture in Adani Wilmar Ltd)

Designation : **Order management, Order to cash & Purchase**

Period : **May 2021 – DEC 2022**

Worked as **Procurement Specialist** in **KTV Health food PVT LTD**, Chennai in Essential oil manufacturing Industry for Food, Telecommunication and Networking Customers. Experienced in SAP S4 HANA.

In KTV

- As a sales in charge I work end to end from taking up the orders, We use to feed the contract using the **T CODE (VA41)** and following it up till delivery to the customer.
- I used to interact with customers directly via telephone and take up the Sales orders. Once the invoice has been raised by the billing department we used to follow up the payment procedures from the customers, using the **T CODE (FBL5N)**
- To post a manual incoming payment clearance using transaction **T CODE (F-28)**
- Reversing a cleared invoice, used for canceling **T CODE (FBRA)**
- To adjust the payment against an existing invoice, clear the customer open items **T CODE (F-32)**
- Responsible for administering and organizing manufacturing and production department.
- By using the SAP **T CODE (VA01)**, we used to feed the Sale order using the customer identification number (Customer code).
- Responsible for contract negotiation, price discounting and vendor cost-negotiation from the initial quote through price negotiation.
- Follow-up with concern department for payment release within committed days to the vendor.
- Experienced, results-oriented purchasing professional with exceptional abilities in building/developing internal teams and vendor relationships and skilled in managing material.

PREVIOUS ORGANIZATION

Tenth Planet Technologies Pvt Ltd

Designation: **Procure To Pay**

Period : **Jun 2019 – APR 2021**

Responsibilities

- Prepare Purchase Order, Sale Invoice.
- Preparing Sale Invoice as per monthly plan schedule, and then communicate with sales manager to execute as per ordered quantity of goods to supply.
- Preparing the Monthly Purchase Order, GRIR pending report, Bank reconciliation statement.

Purchasing

- Releasing New Purchase orders (POs) to the suppliers based on the demand loaded in system.
- Delivery confirmations should be received within TAT.
- Supplier to be questioned for the delayed commit date than the agreed date.
- Existing POs to be monitored until the components arrive the warehouse.

Inventory Management

- Inventory check will be done on monthly and quarterly basis and excess stock available will be depleted by sharing the excess to other projects internally or to the sister sites.

- During the demand drop from customers, the request will be sent to suppliers to reschedule the request date of the existing orders in order to avoid the inventory for the respective month or quarter of the year.

Logistics

- Receiving packing information from the suppliers.
- Advising the Forwarder details based on the weight, location and incoterms.
- Shipping documents to be checked and verified with Customs dept.
- Tracking the shipment.
- Deciding Mode of transport based on the criticality of the component.

Cost Control

- Monitoring and blocking all the orders with buying cost greater than selling cost.
- Negotiating with suppliers based on the raw material and making charges of the component.
- Customer approval of liability is maintained for extra costs.
