

Professional Summary

- **Having 4 Years of work experience in Full Stack Developer**, Design, Development, Unit Testing and Implementation of web-based applications.
- Experience in **Angular 5+7,9,14**, ASP.NET, .Net Core (2.0), C#, SQL Server, MySQL, Web Services, JavaScript, JQuery, Typescript, Ionic Framework and .Net Technologies.
- Excellent understanding on **Database concepts** and DB design to provide faster and reliable software. **Creating Tables, Writing complex queries, Store Procedure, Trigger, Views and Functions.**
- Good knowledge in UI technologies like (**HTML5, CSS, Bootstrap, JavaScript, JQuery and Angular with Angular Material design**).
- Knowledge in various control systems like TFS, Azure DevOps and GIT.
- Good understanding of Agile and Waterfall development methodologies and best practices around development.
- Ability to learn quickly and apply new skills to existing problems
- Strong domain Knowledge and expertise on Education Management System
- Highly motivated, dependable troubleshooter and problem-solver.
- Passion to learn new technologies, and deliver with quality and ensure the customer is satisfied with the deliverables.

Technical Competency

Primary Skills	Angular5+, .Net Core, .Net Framework (C#, ASP.Net), Web Services, Entity Framework, JQuery ,JavaScript, Typescript and Ionic Framework
Database	SQL Server 2018/ 2015/2012/2008 and MySQL
Version Control	Azure DevOps, TFS and Git
IDE	Visual Studio 2015, 2017, 2019, 2022 and Visual Studio Code
Reporting Tools	RDLC
Web Server Technologies	IIS with ASP.Net and Angular 5+
Designing Tools	Photoshop CS3
Architecture Pattern	Three Tier Architecture
Operating System	Microsoft Windows Family and IOS
Process Model	Agile and Waterfall Model

Academic Details

- **MCA** - from Sacred Heart College(Autonomous) Thiruvallur University 2019 with **77.39 %**
- **BCA** - from Tirupattur Arts and Science College Thiruvallur University 2016 with **79.00%**
- **HSC** - Government Higher Secondary School, Perambattu 2012 – **67.00 %**
- **SSLC** – Government Higher Secondary School, Perambattu 2010 – **70.00 %**

Experience Summary

Organization	Location	Designation	Duration
Bosco Soft Technologies	Yelagiri, Vellore	Software Engineer	September 2019 to September 2021
Sophista Software Solutions Pvt Ltd.	Chennai, Anna Nagar, TamilNadu	Software Engineer	September 2021 to till now

Project Profile

1. USA – (Hospital & Pharmacy)

Project title	USA – (Hospital & Pharmacy)
Duration	Sep 2021 – Still Now
Technologies	Angular 5+, Typescript, .Net Core, ASP.NET, SQL, Ajax, JavaScript ,JQuery and Web API
Role	Software Engineer

Role and Responsibilities

- Working as Full Stack Developer in Angular5+, C#, Asp.Net Core and SQL.
- Developing the single page application based on the design and functionality requirement with in the deadline.
- Implement the different pages by using different libraries and components based on requirements.
- Manipulate the dynamic date and configuration between Front End and Database configuration tables (SQL).
- Good Knowledge of Create the Table, View, Store Procedure, Triggers and Functions in SQL.
- Client feedback should be delivery on time.
- Maintain code for TFS and Azure devops.(Check in & Check Out).

2.HiGrade (College Automation)

Project title	HiGrade
Duration	Sep 2019 – Sep 2021
Technologies	ASP.NET 2015, MSSQL 5.6, WCF, Ajax, JavaScript ,JQuery
Role	Software Engineer

Description

This is a web based upgraded version of college automation system (Desktop version) to manage functions of a college of different departments. This maintains the college activities and provides profiles as output. HGR system is having different modules like Student, Staff, Student Attendance, Staff Attendance, Academics, CIA, NME, Fee.

Role and Responsibilities

- Develop high-level product specifications with attention to system integration and feasibility and define all aspects of development from appropriate technology and workflow to coding standards.
- Analyze, design and develop web applications and components to support business requirement utilizing Asp.Net. Used various client side data validation **JavaScript, JQuery and Json**.
- Responsible for client side support. Responsible for all browser compatibility issues.
- Client Feedback changes on Application Development Stage (Enhancement).
- **Deployment** – To Update Web API and Web IT Site, UAT Site for Development Testing.

3. Smart School Plus

Project title	Smart School Plus
Duration	Sep 2019 - Sep-2021
Technology	ASP.NET 2015, MSSQL 5.6, WCF, Ajax, JavaScript and JQuery
Role	Software Engineer

Description

This is a web-based solution to efficiently integrate, manage and speedup various functions of a school with increased productivity, reduced cost and time. This unique regional and customizable application helps in managing student and staff information; scheduling and managing timetable focusing on time and resource utilization; maintaining examinations schedule; fixing invigilators, generating Progress Report and tracking student's performance; maintaining automated payroll, library, hostel, accounts, transport management and fee collection.

Role and Responsibilities

- Creating requirement specification, Technical Document, Design Document and Implement business Solution.
- Analyze, design and develop web applications and components to support business requirement utilizing Asp.Net. Used various client side data validation **JavaScript, JQuery and Json**.
- Involved in data base migration, data import and data export using **SQL Server Integration Services (SSIS)**. And Report generate to RDLC.
- **Responsible for client side support.** Responsible for all browser compatibility issues.
- Client Feedback changes on Application Development Stage (Enhancement).
- **Deployment** – To Update Web API and Web IT Site, UAT Site for Development Testing.

Personal Info

Name	Mr. Karthik A
Father Name	Mr. Arumugam R
DOB	05/07/1995
Gender	Male
Languages Known	English and Tamil (To Write, To Speak and To Read)
PAN	IPOPK5447A
Address	33(1),Kottavur(Village), Perambattu (post), Thirupathur (District) – 635652 Tamilnadu

Declaration

I hereby declare that all the above statements are true, complete and correct to the best of my knowledge and belief.

Yours truly,

[KARTHIK A]
